# Riblet Scarf

An easy project, this scarf started from a vintage stitch pattern book. It can be made wider or narrower by adding/subtracting in multiples of 6 stitches. Try a yarn substitution and use the recommended needle size on the ball band. Consider making up a swatch to see if you like the results but it is not important. The photo above shows the scarf without being blocked but if you choose to block it, the eyelets will show up more. If you'd like a longer or wider scarf, purchase an additional skein of each yarn for safe measure.
